

VCSS0108 VDE Cable Shear

Major Tech's 1000V VDE Cable Shear is a one-handed tool with 50mm² width blades. It efficiently cuts cables up to 38mm² in cross-section and 7mm² in diameter, conforming to the IEC 60900 standard for safety. It's important to note that it's not suitable for cutting steel wire-armoured cables. With certifications including DIN, EN 60900, and VDE approval, this cable shear provides 1000V safety for electrical work. Measuring 210mm² in length and weighing 360g, it's a lightweight and trusted addition to your toolkit

Features

- 50mm² Width blades
- 38mm² Max cross section
- 7mm² Max diameter cable
- Compact, one handed cable shear, cuts cleanly & effortlessly
- Conforms to IEC 60900 standard
- **Note:** Not suitable for cutting steel wire armoured cable
