

## EVP0206 Electrician Plier

Major Tech's Electrician Plier is designed for demanding electrical tasks, with high voltage and temperature resistance for safety in challenging environments. Crafted from durable chrome vanadium steel, it handles both hard and soft wires with precision. The 1000V double insulated handles add an extra layer of safety. Compliant with IEC 60900 and DIN EN 60900 safety standards, it's the go-to tool for professional electricians and DIY enthusiasts seeking precision and safety in their work.

### Features

- Work on live circuits
- High voltage resistant
- High temperature resistant
- High strength
- Durable material
- HRC 58-63 suitable for both hard & soft wire
- Precision machining
- Chrome vanadium steel
- 1000V double insulated handles
- Safety test: IEC 60900 and DIN EN 60900

Product Code	Length	Head	Handle
EVP0206	165mm	45mm	120mm

1000V double insulated handles

HRC 58-63 suitable for  
both hard & soft wire
