

## KV-5RRS 1000V Insulated Ring Gear Wrench Set

Our KV-5RRS 1000V Insulated Ring Gear Wrench Set empowers you to work confidently on live conductors up to 1000V AC. Compliant with strict IEC 60900 standards and individually tested to 10,000V, these wrenches prioritize your safety. Constructed from robust chrome vanadium steel and featuring a unique 72-tooth design, they ensure efficient and precise performance. The set includes five essential head sizes: 10mm, 12mm, 13mm, 14mm, and 17mm, covering a wide range of applications. Conveniently packed in a protective carrying case, this kit guarantees both safety and accessibility for professionals and DIY enthusiasts working with electricity. Trust Major Tech to keep you safe and productive.
