

CS0340 1000V Cable Shear

Major Tech's 38mm² Cable Shear with 50CRV Chrome Vanadium quality. This cable shear is a high-quality tool designed for precision cable cutting. It offers a maximum cross-section of 38mm² and can handle cables with a diameter of up to 7mm². The heavy-duty 1000V TPE handles ensure a secure grip, and every cutter and plier in this range is individually tested to 10,000V, guaranteeing 1000V safety. These insulated cutters and pliers provide outstanding performance and quality, suitable for both hard and soft wire applications.

Features

- High quality 50CRV material
- 38mm² Max cross section
- 7mm² Max cable diameter
- Heavy duty 1000V TPE handles
- **Note:** Not suitable for cutting steel wire armoured cable
