

## HLF SERIES IP67 LED Floodlights

The HLF floodlight series from Major Tech is suitable for warehousing, agricultural holdings, parking lots and sports grounds. Each floodlight features multiple 50W LED modules built into a single housing with one IP67 fully isolated driver per LED module to improve the life span and light distribution of the fittings. These EMC approved floodlights are available in 100W; 200W; 300W and 500W. They are IP66 rated and feature quality fixing brackets to allow for easy positioning when installed.

### Features
