

ETBP0104 Mini Combination Pliers

Major Tech's Mini Combination Pliers are the perfect tool for handling small components with precision and ease. Crafted from high-grade carbon steel, these pliers feature precision machined jaws designed for cutting wires and working with electronic and robotic equipment. With a length of 120mm and a jaw size of 30mm, these pliers are compact yet powerful. The non-slip, softgrip handles ensure a comfortable and secure grip, allowing you to maneuver with confidence. The spring-loaded return enhances efficiency in repetitive tasks. Whether you're tackling intricate electronics or delicate projects, these Mini Combination Pliers are an essential addition to your toolkit, providing the reliability and precision you need.
